

What does Last-Chance aim for?

It showcases exclusive offers and discounts for a limited time until quantities run out. Our goal is to increase sales opportunities for merchants while offering great deals for consumers.

Do you have offers that need quick marketing?

The "Last Chance" platform helps you highlight limited-time or limited-quantity offers and reach customers looking for exclusive discounts and opportunities in a location near the merchant.

What is the Last Chance platform ?!

Last Chance is an intelligent platform connecting merchants with consumers in an innovative way

“ **Last-Chance is a platform that gives you a new channel to market your products with special offers that attract customers and increase your sales.** ”

A smart shopping platform with limited-time offers

LAST CHANCE

**Last chance !
Your destination for faster sales and wider distribution**

Why join us as a merchant?

- Faster inventory disposal through a dedicated audience.
- Direct communication with customers (no in-app collection fees).
- Publish offers in minutes, specifying the duration and quantity.
- Strong local reach through geographic location for both merchants and consumers.
- Simplified reports to measure engagement on your offers.
- Annual, monthly, and daily packages for unlimited advertising

How does it work

- ✓ Register as a merchant through the Last Chance app. Download it from the App Store or Google Play.
- ✓ Add your products, price before/after, duration, and quantity through the link akherforsah.com.
- ✓ The offer will be displayed directly to our users in your area and within a radius of approximately 10 km from your store.
- ✓ The customer will contact you directly to complete the order and payment.

Early Launch Offer:

100% free package for early adopters
 App launch expected within 30 days
 Seize the opportunity to join early before moving to paid packages.

Examples of suitable offers

- Seasonal Clearances
